

send it to my dear loved one H. D. L.
I have not got the long halcyon &
home now but will get it and
send some to you.
I hope this short letter will reach you
before you have wedded to someone
you have fallen in love with since
I last saw you and will bring
back the memory of the affectionate people
to you that you may always think of
them in your lonely hours and drop
them a few lines to let them know
how you are enjoying your stay in
the Star State.

I wish I could come to Texas and stay
a few weeks to my S. H. and to visit
the Relatives. I have near Tyler and other
points near where you are living.
I have been going to a protracted
meeting here. It has now closed & had
a very nice time watching others about
and pray in choruses, one

Well I hope your dream of getting
married will not come to pass, don't you,
Sweet Heart, I am sure you will have a
nice time when it shows for you will
freeze all the rest out in a little while
if you are like you was about a year ago
at the Quail, where I came near freezing;
S. H. I hope these few lines will find
you in good health and enjoying yourself
as it leaves me in a bad condition
of health at best.

Trusting my Sweet Heart will always
remember me as one who loves & one
who gets this letter so as we get
still better that tongue can tell.
Remember Well and hear me, mind
that I love you and a truer love
you can never find, you miss this
morning for I have been sick and can not
well get. H. I wish you good luck and
pleasant dreams, Good by love,
Yours affectionately W. H. D. L.
